Stephen Ministers bring distinctively Christian care to those in need. They use both words and deeds to express Christ's care for others—listening and comforting, calling on the training they have received and employing the tools of faith. If this job description fits your personal goals for ministry, consider becoming a Stephen Minister. A training class is starting soon. For more information contact Carolyn Eiden, Stephen Leader at 458-4343 ext.104 or 980-1382.

The Food Pantry will again be distributing school supplies to the school aged children of families visiting the Pantry. At the time of this message, we have over 500 children on the registration list. If you can help provide some school supplies in any way, we would much appreciate the help. Please reference the Food Pantry report in the August issue of the Forward. Thank you!

The Sheboygan Social Service agency **Open Door** is looking for men's clothing (no underclothing), socks and shoes (all sizes). Donated items can be placed in the container located in the Narthex. If you have any questions please contact Barb Keitel at 452-9498.

St. Mark church members and leadership,

It is with extreme gratitude that I write the congregation to give an update on the charity fundraiser I host to raise money for those who lack access to clean water and proper sanitation. The event is BASEketball, a fictional sport based off of a 1998 comedy. St. Mark again showed its generosity and commitment to community outreach, lending tables and chairs to our event. The elimination of this otherwise costly rental fee, helped us to have a record year and raise \$19,010 that will be donated to water.org and other humanitarian organizations that are committed to providing access to water and sanitation. I will provide information about next year's events next year for anyone who would like to attend. Thank you again for supporting the community and a cause that changes thousands of lives.
