A big Thank You to the Men's Club and the Youth Group for stepping forward to sponsor two of the Soup Suppers. If anyone would be interested in doing the last one open (March 29th) please let the church office know.

Scrip Cards are now being sold by the office. Starting in February we will set up a table in the Narthex on Sunday mornings and Thursday evenings to purchase cards. Cards will be on hand from various vendors to be purchased immediately. If you need a card that is not available it will be ordered and you will receive it the following week. That percentage that we receive on cards sold will be held and used by any group/committee when there is a need for it. Groups/committees will need to notify the office to request monies for the program or project.

Please remember to check your mailboxes. They have been re-alphabetized so make sure you check the correct mailbox.

Remember that when you are in need of Pastoral care please contact either Pastor Matz or the church office at 920-458-4343.

Men's Club will have a meeting on Monday, March 13 in the Fellowship Hall. Supper will be served at 6:00pm and the meeting starts at 6:30pm.

We need a couple of volunteers to drive the church van to pick up people on the 3rd and 4th Sundays of the month. If you are interested or have any questions please contact Tom Kroll or the church office.

Wisconsin Parental Choice Program tuition voucher information for Parents:

Lutheran High School is proud to be a part of the Wisconsin Parental Choice Program (WPCP) which allows parents to receive a voucher to enroll their children in private and religious schools. The statewide program is available to those families within certain low to moderate income levels. Student applications can be submitted online until April 20. The application portal will be available via our LHS homepage at www.lutheranhigh.com. The application will ask for last year's tax return information, so parents should file their returns early for income verification purposes. Contact Carmen Dolson at LHS for more information at 920-452-3323.

Please make sure you use the calendar on the wall by the office to mark your meetings and events in order for them to appear in the Forward and Messenger.

The CUS Society of Creation will be holding its fifth annual conference on the campus of CUW in Mequon on July 7th and 8th, 2017. The theme is "The Age of the Earth." More information and registration is available online at <http://www.societyofcreation.org/conferences.php>. As usual we have top notch speakers lined up. The website will be updated as information becomes available. Prof. Josh Locklair is the contact person if you have any questions. His contact information is available at the link above.
