How can you help The Gathering Place?

We are the only adult day program in the county that serves adults with memory loss. The need for respite care is huge and we are averaging 3 tours a week and we have current participants that want to increase their days, but we just can't help out these families! This past year The Gathering Place has lost a lot of volunteers during our shutdown and then slow start up after Covid and now we are really feeling the effects of not being able to take our program to full capacity on Mondays and Thursdays. We have been relying on volunteers from other days doubling and tripling their days and we just can't burn out our volunteers. All it takes is a listening ear, someone who enjoys socializing, a desire to help others, and the chance to explore our county on our outings.

So if you are reading this, is this something you can help us out with or do you know someone else who would benefit from volunteering? You might think well I'm there to help others, how will volunteering benefit me? I have yet to meet a Gathering Place volunteer who hasn't told me how much their volunteering has helped them, socially, physically, spiritually or mentally or all four ways. Can you help out twice a month or more on a Monday or Thursday or 4 times a month half days? Maybe summer you are busy with your families or travel and fall would be a better time? Please prayerfully consider how you can help this essential, unique program in our county. To see our monthly calendar and newsletter please visit [www.memorymattersmost.com](http://www.memorymattersmost.com) or see our daily activities on FB (The Gathering Place & Memory Matters). Call us to set up a time to see our program in action to see if we might be the right fit for you at 920-627-6847 or email [carolb@stpaulfalls.com](mailto:carolb@stpaulfalls.com) Thank you.
