

Ronald Mc Donald House/Tab Collection

Ronald McDonald House Charities don't administer medical care. They keep millions of children and families close to the critical care they need - and to each other. They provide places of respite for parents, space for children to be children, and communities of support for all family members dealing with a child's medical crisis. They also help alleviate some financial burdens for families with sick children. To date they have helped families save more over \$443 million in hotel and meal expenses by collecting aluminum tabs. There is a now a plastic bottle in the Narthex to collect the tabs.

Grief Share:

GriefShare is a Christian based, weekly seminar and support group designed to rebuild your life after the loss of a loved one. There is a video presentation each week with grief exerts and people who have participated in GriefShare, discussion and a workbook for personal study and reflection. It lasts 13 weeks from Wednesday September 28th to December 21st 10-11:30am. It will be held in the adult education room. The cost is \$15 for the workbook which will be returned when you complete the classes. Call Carolyn the Parish Nurse at 458-4343 Ext. 104 for questions and to register.

Bible Study:

Bible is starting again **September 11**, immediately following church. Also if you haven't, please fill out weekday bible study survey to help determine a day to hold that study.

A Dollar For Missions:

Thank you for your continued support to the English District Missions. \$210 was raised in the month of August!
